

# COMPLETE YOUR MISSION WITH ZERO EMISSIONS

## ELECTRIFICATION WITHOUT COMPROMISE

Waev Inc. is an electric vehicle pioneer that manufactures, distributes and supports the GEM, Taylor-Dunn and Tiger electric vehicle brands. Our products are proudly assembled in the USA at our manufacturing center of excellence in Anaheim, California. We are dedicated to transforming how state and local government agencies and higher education organizations move people, equipment and supplies in a safe, cost efficient and sustainable way—helping you complete your mission with zero carbon emissions.
